South Shore Players IMAGE CONSENT FORM

The **South Shore Players** believes in showcasing the talents and achievements of all our members and what better way than to post images on our website and Facebook page or to include pictures in our promotional materials. At the same time, we recognize the issues surrounding images being published on the internet.

Therefore, the **South Shore Players Executive Committee** has set a policy of obtaining permission from a parent or guardian of any of our minor (under the age of 19) members before posting/using his/her image.

This consent form covers photos and/or videos the **South Shore Players** may post/use:

Any minor SSP member is asked to have your parent or guardian complete this form and return it as soon as possible. Completed forms are to be returned to the SSP's Communications Director.

The **South Shore Players Executive Committee** thanks you for your cooperation.
